

President Danny Looney-Yoder's
RECIPE FOR SUCCESS 2018-2019 Competition

Advisor Cheryl Summerhill will be in charge of giving each members their “kitchen” page and kitchen items. Members will receive a kitchen item, i.e., pots/pans, cooking utensils, food, serving pieces, spices, etc. for every activity that they do (participate in local and state chapter meetings, CLE sessions, special events, i.e. law day, anniversary events, community activities, articles or committee reports submitted, official publication articles, NALS meetings, NALS online studies, NALS activities, and other association activities, etc.).

Each member can build their kitchen as they choose, use other colored paper, etc., as long as it is 8 ½ x 11. Each member will write their activity into the designated space and present to Cheryl for approval. Cheryl will then present kitchen item(s) and initial the competition sheet as your items are received.

The competition is designed to encourage each member to participate fully in the activities of the association. There will be a competition at annual meeting for all members, and details of the final voting procedure will be provided later. Each member can submit their kitchen for the competition at annual meeting. There will be more than one prize given at the 2019 annual meeting.

This will be a fun competition to see who can build the best recipe, the best kitchen, or the best “success”, and who can win the biggest prize. Happy Cooking!!
